The Wide World of Sports are in Argentina

There's nothing we enjoy more in Argentina than tough, friendly competition from visiting international sporting teams.

But there's more to South America than just soccer, tennis, polo, rugby, horse racing, swimming, skiing, trekking, basketball, cycling, white water rafting, windsurfing, motor racing, mountain climbing, hangliding, sailing to name a few.

That's why Aerolineas Argentinas with their travel agents have planned a whole range of holiday packages to show off 'our' South America.

So win, lose or draw, celebrate with us in South America.

Choosing the right home could be one of the most important decisions you'll have to make. But whatever the story, Krslovic Homes have a style to suit you.

Difficult, narrow and sloping sites are our specialty. We are known for our personal service, multi-level and custom design homes which can be built in full brick or brick veneer. A new design in elegance, space and style is the federation "Hunter", which can be easily modified to suit narrow sites. The Hunter effectively utilizes space with a functional layout.

Another Krslovic design is the contemporary "Aspen", with unique double garage which can be converted into a workroom or spacious granny flat.

Both homes reflect open planning with special Krslovic features which can be seen on display at Homeworld II, Prospect.

MESSAGE FROM THE PRIME MINISTER THE HON. PAUL KEATING

PRIME MINISTER

CANBERRA

Soccer lays claim to be the world's most popular sport in terms of its appeal to players, spectators and television audiences in dozens of countries around the globe.

In Australia alone there are over 350,000 registered players, both men and women, who compete in regular competition either indoors or outdoors. As a nation we are emerging with a new profile in the 'World Game' - the Olyroos have performed magnificently to win a place in the forthcoming Olympic Games tournament in Barcelona, and the Socceroos are currently undertaking top level competition in Australia and overseas in preparation for the 1994 World Cup in the United States.

This 3-match Test series against Croatia is therefore not only an important part of Australia's build-up towards competing in that major event in world soccer but also presents Croatia with an early opportunity of providing high level competition as a new soccer nation in its own right.

I am sure the series will create widespread interest among the Croatian community and soccer fans generally, anxious to witness top class international soccer. The Australian Soccer Federation and sponsors are to be commended for their efforts in making the series possible.

On behalf of the Government I take this opportunity of welcoming the Croation soccer team to Australia and extend best wishes to all concerned for a successful and memorable Australia-Croatia Test series.

MESSAGE FROM THE CHAIRMAN OF THE AUSTRALIAN SOCCER FEDERATION

ASF
Australian Soccer Federation

On behalf of the Australian Soccer Federation and all soccer followers in Australia, I extend a warm welcome to the Head of Delegation, players, staff and supporters of the Croatian National Soccer Team.

Croatia's squad for this 3 match International Test Series will be brimming with some of World football's most exciting talent and will no doubt be a challenge for our **Coca-Cola Socceroos.**

However, with the benefit of the recent tour to the USA and South America, our **Coca-Cola Socceroos** will provide worthy opposition for the visitors. Now well respected on the World stage, our **Coca-Cola Socceroos**, will be looking towards these games as solid preparation for the forthcoming World Cup qualifying matches to be played in 1992/1993.

The International Test Series is sponsored by **Westbus**, a company with which the Australian Soccer Federation has a strong and lengthy association. Their support is very much appreciated.

It is also appropriate that we take this opportunity to thank **Coca-Cola South Pacific** and the **Victorian Health Promotion Foundation** who have provided us with the necessary resources to field a competitive **Coca-Cola Socceroo** team for this series.

We look forward to enthusiastic support for what we anticipate will be a thoroughly entertaining series of matches.

JOHN CONSTANTINE AM, OAM.
Chairman.

Be there when Australia takes on the world in March '93

In '91 our Young Socceroos made it through to the semi-finals playing Portugal in front of a partisan crowd of 112,000 spectators. Their eventual 4th place medal was the first Australia had ever won in international competition.

In '93, the boot's on the other foot, when Australia hosts the 7th World Youth Championship — the 1993 FIFA Coca-Cola Cup. Sixteen nations will compete in matches played in Sydney, Melbourne, Brisbane, Adelaide and Canberra.

Can our Young Socceroos be the first team from a developing football nation to win the World Youth Cup — hitherto the domain of soccer giants like West Germany, Brazil and Argentina? Will you be there to cheer them on?

Make sure you don't miss out, because tickets will be scarce. Include your name on the Preferential Booking List by completing the Request Form below and mailing it right away. Then, when tickets become available, we'll contact you with full details — including match listings and special multiple package rates that will offer substantial savings.

Naturally, those names on the Preferential List will have the best chance of getting to the games they want, so register your name now and make sure you're there when Australia takes on the world.

The Bosnjak - Westbus Story

The late Simon Bosnjak spent many years in farming in the western outskirts of Sydney when he saw an opportunity to cater for the transport needs of the growing population in what was then still the heart of farmland.

In 1955 the Bosnjak name appeared on a bus for the first time. Simon and his two sons, and Bob Bosnjak and the late John Bosjnak , committed themselves to turning that opportunity into a success story. They were joined some ten years later when the youngest brother, Jim also joined the business.

It was a hands on family affair that demanded their time and energy 24 hours a day seven days a week until their fledgling enterprise became Australia's largest private Bus and Coach company - Westbus which now has 410 vehicles.

Today Westbus Buses and Coaches can be found in the United Kingdom, across Europe and right around the vast continent of Australia.

And the philosophy which drove them on from the beginning, which took them to the top, is still the driving force behind the Westbus operation today.

Westbus today remains a family business headed by Bob and Jim Bosnjak.

"The only question is the timing"

URUGUAY TO TOUR ?

Australia's newly established soccer relationship with South America might be strengthened next year if Uruguay takes up an invitation to tour.

"We would like to follow up the Socceroos' visit with a reciprocal tour. The only question is the timing," said the president of the Uruguayan Soccer Federation, Senator Hugo Battalla.

"The Copa America eliminators are in June, so it's a matter of coming either beforehand or afterwards.

"Late May would look good at this stage - but we definitely want to strengthen our relationship with Australia." The Australian Soccer Federation is eager to get similar pledge from Argentina.

Soccer is a virtual religion throughout South America, Argentina and Uruguay, along with Brazil, are the giants. However even they have been experiencing problems in trying to hang onto their best players.

"Financial offers from Europe are simply better than what our clubs can pay, "Battalla said. "When we lose our best, we have to try to replace them and then we lose those as well. It is very difficult."

Uruguayans in Europe include Daniel Fonseca, Sosa, Carlos Aguilera, Jose Herrera and Enzo Francescoli. Brazil and Argentina have similar legions in Europe. Attendances at home are still strong, though, and the media are obsessed with the game. Even in preparation for Uruguay's clash with Australia - hardly a major power in world soccer - Montevideo newspapers splashed colour photos of its best players on news as well as sports pages.

Much was made of new wonder boy Adrian Paz, who in late April scored the goal that beat Brazil 1-0. Brazil had 90 percent possession but it was Paz who scored the goal.

That Brazil dominates South American football has long been a misconception. It has won the Copa America only four times since it was introduced in 1916 while Uruguay and Argentina have won it 13 times each.

Argentina's most recent international success was winning a three-nation tournament in Tokyo with slender 1-0 scorelines against Japan, so Argentine newspaper described it as "History-making."

Australia's tour of South and North America was important in giving the players a taste of conditions there and the experience of travelling such a long distance across time zones. We now know that come World Cup time, we will have to go there at least 10 days in advance, to give the players the chance to acclimatise.

HOW GOOD IS AUSTRALIA ?

by John Taylor (Telegraph - Mirror Soccer Correspondent on tour with the Socceroos)

When Roy Wegerle was interviewed at half time during Americas International against Australia at the Citrus Bowl he said, "That Mark Chung is good, I like the way he plays soccer."

"In fact, soccer in the States is looking good," he said.

Wegerle is one of the new breed of American stars. The USA have been waiting a long time for him to declare his hand. His father is German, his mother is Scottish, not surprising he has been playing soccer outside the States.

He chose England to earn a living, Wegerle played for Queens Park Rangers before transferring to Blackburn Rovers, who are new comers to the premier league this year.

After five years in England, he finally gave the USA National team his vote. He made his debut in USA Cup '92 against Portugual, Republic of Ireland and Italy.

"I was pleasantly surprised with the standard of the American team. Bora (Milutinovic) must take much of the credit" Wegerle says.

"He allows players to express themselves that's what I believe football is all about, I don't like the way Graham Taylor picks his England teams."

Wegerle married to an American woman, scored against Portugal and became an instant hero. "I desperately needed to stamp my mark," he said.

Apart from Wegerle there's Thomas Dooley, who was born in Germany to a German mother, has lived in Germany all his life, is married to a German woman and plays soccer in Germany for Kaiser Slautern. He still doesn't know the words of the Star Spangled banner- **Bora wouldn't care.**

Wegerle thought the USA would be lucky to pick up a point in the USA Cup '92. Instead they got five, wins over Portugal and Ireland and a draw with a star studded Italian side.

So how good is Australia after their 1-0 win over the Americans in Orlando? "The Aussie's had limited preparation. For the USA team it was their 14th International this year and 40th since Milutinovic took charge 15 months ago, Milutinovic wants many more internationals before the USA hosts the 1994 World Cup Finals. American captain Tony Meola is excited about the USA's prospects, the goalkeeper, who traded his baseball gloves for soccer gloves says the game is booming and finally the National Soccer Team is being accepted. Meola didn't like the style of football America played at the World Cup Finals in Italy. We were too defense orientated, " he says.

"Now, under Bora, we are offensive, just look at our results

"Our Olympic team has qualified for Barcelona. We have some exceptional talent in our team"

Despite the absence of a major professional league in America since 1985, the sport has continued to thrive. The number of Youth Soccer participants in America has grown by approximately 10 percent per year for the last 17 consecutive years.

Soccer Writer Laurie Schwab names Australia's ten Greatest Games

Of all the great games Australia has played at senior, under-23 and under 20 levels, none has been more impressive than the 2-2 draw with Holland that put Eddie Thomson's men into the Barcelona Olympics.

In attempt to put the acheivement, as well as the quality of the Olympic team's play, into perspective, I have compiled a list of what I believe to be Australian soccer's 10 greatest international matches (in order of significance).

1 - V HOLLAND 2-2 (Zelic 2), second leg 1992 Olympic qualifying match in Utrecht. Crowd: about 10,000. Team Filan - Blagojevic, Zelic, Longo. T. Vidmar - Murphy - Gibson (Veart), Okon, Hasler (Silkas). Refenes - Arambasic. Coach: Eddie Thomson.

Away from home, the Australian players matched Holland in skill, took the initiative with sustained attacking play in the first half, scored the first goal, recovered after Holland had equalised during a breathtaking onslaught, went down 1-2 in extra time then levelled with an extraordinary goal by captain Ned Zelic from a near-impossible angle.

2. - V YUGOSLAVIA 1-0 (Farina), group match, 1988 Oyimpic Games in South Korea. Crowd: 30,000. Team Olver - Davidson, Dunn, Yankos, Jennings - Wade, Petersen, Crino - Farina, Arnold (Slater), Mitchell (Bozinovski), Coach Frank Arok.

At its first Olympic soccer tournament since 1956, Australia caused a major upsef by beating the reigning European champion, with an exquisite goal, fashioned by Alan Davidson's lond pass and put-away by Frank Farina.

3. - V ARGENTINA 4-1 (Yankos 2, including one penalty, Wade, Bozinovski), 1988 Bicentennial Gold Cup at Sydney Footbal Stadium. Crowd 18,300. Team Olver - Yankos - Savor, Dunn, Jennings - Wade, Davidson, Bozinovski - Farina, ARnold, Ollerenshaw, Coach Frank Arok.

The Socceroos earned international praise by crushing the world champions. Charlie Yankos scored with a long range free kick and agin with a penalty. It must be noted however that Argentina lacked several key players.

4. - V SCOTLAND 0-0, 1985 second leg World-Cup qualifying match at Olympic Park. Crowd 29,000. Team:Greedy - Yankos - Davidson, Ratcliffe, S O'Connor (Dunn), Jennings - Watson (Patikas 65th), Murphy, Crino - Michell, Kosmina. Coach Frank Arok.

Having lost 0-2 in Glasgow, the Socceroos fought valiantly for a home victory that would have forced a tie-breaking match. Ken Murphy was magnificent in midfield but Scotland's goalkeeper, Jim Leighton, was even better.

5. -V SOVIET UNION 1-0 (Maloney), group match 1991 World Youth Championship in Portugal. Crowd 10,000 Team: Bosnich - Muscat, Okon, Babic, Stojcevski - Maloney, Kindtner, Poric (Popovic), Bingley - Silic (Soras), Seal, Coach: Les Scheinflug.

This was the match in which Les Scheinflug's young Australian's demonstrated they were among the best in the world in their age group. The Soviets, along with the Portuguese, had been favoured to reach the final. Paul Okon, Mark Bosnich and Lorenz Kindtner were superb.

6. - V ISRAEL 2-1 (Mitchell, Kosmina), 1985 World Cup qualifying match in Tel Aviv, Crowd: 50,000 Team: Greedy (Olver) - Yankos - Davidson, S.O'Connor, Ratcliffe, Jennings - Watson, (Dunn), Murphy, Crino - Mitchell, Kosmina. Coach: Arok.

One of the most difficult things to do in a World Cup campaign isto win their away matches. Australia did it this time despitethree handicaps - a partisan crowd, losing goalkeeper Terry Greedy to injury, and having coach Frank Arok sent off the bench by the referee. Reserve goalkeeper Jeff Olver, making his debut saved the match when he stopped a goal-bound back header from Davidson.

7. - V SOUTH KOREA 3-2 (Abonyi, Warren, Vojtek), final of 1967 Veitnam National Day tournament in Saigon, Crowd: 35,000 Team: Corry - Keith, Schaefer, Van Alphen, Ackerley - Westwater, Warren - McColl, Abonyi, Baartz, Vojtek. Coach: Vlasits

The unbeaten Asian tour of Joe Vlasits' 1967 Socceroos broke new ground for recognition of the sport in Australia. Thismatch was the highlight and Billy Vojtek was the star.

Australian Doug Utjesanovic during the World Cup Finals in 1974.

8. - V SCOTLAND 2-1 (Incantalupo, Patikas) group match, 1983 World Youth Championships in Mexico City. Crowd 22,000 Team: Franken - Maier, McCulloch, Vietstra, R. Jones - Farina, R. Stewart (Spridakos), Patikas, Incantalup (Licata) - R. Brown, Lowe Coach: Scheinflug.

Scheinflug's discovery of this campaign, Frank Farina, wrecked the hope s of the host Mexicans in the opening match of the Championship,in front of a huge crowd.

9. - V MEXICO 1-1 (Farina) group match, 1983 Youth World Championship in Mexico City. Crowd: about 90,000. Team Franken - Maier, Mc Cullock, Vietstra, R. Jones, - Farina, R. Stewart (Spyridakos), Patikas, Incantalupo (Licata),- R. Brown,Lowe. Coach L. Scheinflug.

Scheinflug's discovery of this campaign. Frank Farina wrecked the hopes of the host Mexicans in the opening match of the Championship, in front of a huge crowd.

10 - V URUGUAY 2-0 (Baartz, Ollerton) at Sydney Cricket Ground, 1974, Crowd: 25,706. Team Reily - Utjesanovic, Wilson, Richards, Curran - Rooney, Harding, Mackay, Baartz - Abonyi, Ollerton. Coach: Rale Rasic.

Australia's first victory against a South American apponent. It was acheived at a high cost. Ray Baartz's career ended when he was felled behind play and suffered temporary
